## COMMUNITY

**Minister’s Minute:** *Dear brothers and sisters in the LORD,*

Brother Saúl’s death was tragic and so unexpected. He was such a bright light. As Brother Diogo said in an email last week, “It’s been very difficult for all of us. He was my best friend, too. . . . God’s ways are mysterious, and sometimes very painful. But only on the other side of this life will we be able to realize how truly Good God is in all things. Only He knows why.” We will miss him so much! Please continue to pray for his families: his grandmother, mother and sisters; the Capuchin community; all those whose lives he touched; and our fraternity, who felt close to him, even though we only knew him for a few months, because he was so open and loving and smiling. All will miss him so much!

After talking with several friars at the viewing last Friday and hearing from Br. Diogo this morning, it appears that Br. Saúl had some minor trauma or discomfort while riding his bicycle on Saturday, May 5. Sometime afterwards, he complained of lower back pain. He went to or was taken to the hospital, when the pain became unbearable, where he was diagnosed with massive internal bleeding and died during surgery around 1-2 am Monday, May 7. It appears he had a prior genetic condition that predisposed him to have aneurysms or vascular issues, but it was never diagnosed during his lifetime.

If you haven't already, be sure to visit the Province website for the obituary that contains a few photos and be sure to scroll through at least some of the 180 photos that follow the obituary. <http://capuchin.com/index.php/87-friars/necrology/760-018soriani>

 <p><b>Br. Saúl Antonio Soriano Rodriguez</b> <b>OFM Capuchin</b></p> <p>Born: <i>August 18, 1986</i> Simple Profession: <i>July 19, 2014</i> Solemn Profession: <i>August 19, 2017</i> Died: <i>May 7, 2018</i></p> <p><i>"Ninguna persona se conoce mientras no se haya encontrado con Dios."</i> -Beato Monseñor Óscar Romero</p>	<p><b>HOLD BACK NOTHING</b></p> <p>Lord Jesus, Let the whole world tremble, and let the heavens exult when You, beloved Son of the Living God, are present on the altar in the hands of a priest! O sublime humility! O humble sublimity! You are the Lord of the universe, God and the Son of God, and You so humble Yourself for our salvation that You hide Yourself under an ordinary piece of bread! We Praise You as we look at the humility of God, and we pour out our hearts before You! Lord Jesus, help us to humble ourselves that we may be exalted! Give us the Grace to Hold back nothing of ourselves for ourselves, so that You, who gave Yourself totally to us, may receive us totally!</p> <p><i>A prayer inspired by St. Francis' Letter to the Entire Order</i></p>

"Ninguna persona se conoce mientras no se haya encontrado con Dios"  
Translates to "No person knows himself until he has met God"

*St. Francis' life was to search and strive for union with Christ through faith. Death for him was not a harsh reality, but the goal through which he passed toward his ultimate goal-total union with the Father. What St. Francis sought through faith on earth, he achieved totally after death. The death of a Franciscan shows forth the same faith as that which St. Francis possessed: our belief that death is the gateway to total union with God.*

## **JPIC -- JUSTICE, PEACE AND INTEGRITY OF CREATION**

**Animator Judith Tyrrell, OFS**

**Rule 15: "Let them individually and collectively be in the forefront in promoting justice by the testimony of their human lives and their courageous initiatives. Especially in the field of public life, they should make definite choices in harmony with their faith." From the Constitutions article 22: "The renunciation of the use of violence, characteristic of the followers of Francis, does not mean renunciation of action. However, the brothers and sisters take care that their interventions are always inspired by Christian love."**

Just this week there was more news about the separation of children from their parents who have entered into the country illegally. "If you are smuggling a child then we will prosecute you and that child will be separated from you as required by law says Attorney General Jeff Sessions." See Washington Post article at [https://www.washingtonpost.com/world/national-security/sessions-says-justice-dept-will-prosecute-every-person-who-crosses-border-unlawfully/2018/05/07/e1312b7e-5216-11e8-9c91-7dab596e8252\\_story.html?noredirect=on&utm\\_term=.9104998a9210](https://www.washingtonpost.com/world/national-security/sessions-says-justice-dept-will-prosecute-every-person-who-crosses-border-unlawfully/2018/05/07/e1312b7e-5216-11e8-9c91-7dab596e8252_story.html?noredirect=on&utm_term=.9104998a9210)

This is another suffering for those who are already trying to escape the violence and the horror of their lives south of the border. The immigration system is broken and must be fixed for the sake of justice and the dignity of all life. How can we help? What can we do? Brother Saul who escaped from war torn El Salvador carried his banner "Defend Dreamers" in the March for Life. He encouraged us to Pray. He stood up for just immigration laws, speaking out publicly on TV. He did so with love. His smile said it all. He will be missed.
