SCHEDULE A VISIT WITH PEACE

SPIRITUAL ASSISTANT'S MESSAGE

March, 2019

Our 19th article says:

"Mindful that they are bearers of peace which must be built up unceasingly, they should promote ways of unity and fraternal harmony through dialogue, trusting in the presence of the divine seed in everyone and in the transforming power of love and pardon. Messengers of perfect joy in every circumstance, they should strive to bring joy and hope to others. Since they are immersed in the resurrection of Christ, which gives true meaning to Sister Death, Let us then serenely tend toward the ultimate encounter with the Father."

Peacemaking has always been a special ministry for Franciscans. We see peace as having integrity and harmony with each other and how we realize God's presence in all and everywhere. We start out by affirming ourselves and then seeing others as gifts of God's love. With peace, we approach solutions to problems positively and communicate with God on a continuous basis. We give no consideration to any of our tendencies toward violence but only show the immensity of our hearts. We end up being joyful and hopeful, preparing ourselves for Sister Death with peacemaking when we look forward to that final and ultimate encounter with God and His everlasting peace with Him in heaven, in fulfillment of our earthly quest for peace.

Have a peaceful day!

Mike
