Rome, 7th of July, 2022

To
all OFS and YouFra National Councils
all OFS National Ministers and
all YouFra National Presidents

Dear Brothers and Sisters,

It is with great sorrow that I have to share with you the sad news that Mauro Monti, the son of our recently retired General Treasurer Lucio Monti and his wife Giovanna, passed away a few days ago.

We cannot begin to experience the pain that the loss of a child brings to his parents. We believe that the caring Heavenly Father will welcome him into his home and they will see each other face to face.

Let us pray that Mauro will be able to have this happy reunion and let us ask the Lord to comfort Lucio and Giovanna so that they may especially feel God's sustaining love in these difficult moments and days.

Your brother and servant

Tibor Kauser
CIOFS General Minister
